Development of National Capital Region

*7. SHRI VIJAY J. DARDA: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether Government are aware that in the last meeting of the National Capital Regional Planning Board, development of another new township-

Shahjahanpur, Neemra and Behror in Rajasthan was considered;

(b) if so, whether the NCR Board have adequate financial resources to provide necessary infrastructure facilities to this new township;

(c) whether NCR is aware that its commitment for provision of Ganga-water supply to six Trans-Hindon colonies of Ghaziabad, like Suryanagar, Ramprastha, etc. has not been fulfilled due to lack of financial resources; and

(d) if so, the reasons for not giving priority to the existing commitments instead of taking up new liabilities?

THE MINISTER OF URBAN DEVELOPMENT (SHRI GHULAM NABI AZAD): (a) Yes, Sir.

(b) A feasibility study has been proposed by the National Capital Region (NCR) Planning Board in association with Govt. of Rajasthan to, *inter-alia*, work out the cost of development of the proposed township, generation of resources and suggest various models of public, private and joint sector partnership with appropriate institutional framework.

(c) The NCR Planning Board has reported that it has sanctioned a project for improvement of water supply system in Trans-Hindon area to be implemented by the Ghaziabad Nagar Nigam, with an estimated cost of Rs. 222.68 lakh and loan assistance of Rs. 167.01 lakh. The implementing agency has drawn loan amount of Rs. 128.44 lakh and has informed that it will be augmenting the water supply in certain areas of Trans Hindon from their resources.

(d) The NCR Planning Board provides loan assistance to the concerned State Governments and their implementing agencies for development of the areas falling within the National Capital Region. The NCR Planning Board has informed that it has been able to meet the commitments for loan assistance as and when requested by the State Governments and implementing agencies.
